9th February 2018

www.stnicholasliverpool.co.uk is filled with the latest information about our school.

School re-opens at 8.45am on Monday 19th February 2018

Ofsted Inspection

A big thank you to everyone who completed a parent questionnaire during the recent Ofsted inspection. Your support and feedback was overwhelming. We will share the results of the inspection with you as soon as possible, hopefully just after half term.

Start of Lent

Wednesday 14th February is Ash Wednesday and the start of Lent. Unfortunately, we are not in school on this day and therefore we will not be taking part in a service or distributing ashes to the children. Father Dominic will visit the school when we return to talk to the children about Lent. Once again, we will be fundraising for others during the Lent period.

World Book Day

To celebrate World Book Day children should come to school dressed as their favourite book character on Thursday 1st March. No football kits are allowed on this day please. There will be visits for Years 1-6 to the Central Library during the week where the children will have the chance to listen to a published author.

Chinese New Year Celebrations

Years 1 and 2 have a fantastic opportunity to work with the Everyman Theatre to celebrate Chinese New Year after half term.

Dates for your Diary

Wednesday 14th March - Reception Assembly 9.15am- Parents welcome

Tuesday 20th & Wednesday 21st March - Parents Evenings

E-safety Day

Thank you to everyone who attended the e-safety workshop this week. The turn out was fantastic and lots of useful information was shared about keeping children safe when using the internet.

School Levy

Thank you to all the families who have already paid the levy for this school year. Please may we remind all parents/carers that the levy is £10 per family regardless of the number of children on roll. Payments are still being collected and should be handed to the school office.

Groupcall Xpressions App

We are in the process of setting up a new school communications app which will be used to send messages to parents via an app which can be downloaded on a mobile phone or tablet. For this service to be set up we require parents' e-mail addresses and mobile phone numbers. Please take the time to complete the form on the back of this newsletter and return it to the school office. Once we have updated all parent information we will send further details on how to install and use the app. The app is totally free of charge and supports Apple iOS and Android devices.
